A RESOLUTION THAT THE REQUIREMENTS TO BECOME THE U.S. PRESIDENT BE CHANGED AS TO NO LONGER INCLUDE BIRTH IN THE UNITED STATES.

Sen. Aditya Parikh
Maple Grove High School

1. WHEREAS: Birth in the United States plays a miniscule role in dictating how much one cares for America; and
2. WHEREAS: Naturalized citizens understand more U.S. History/Government than birth-citizens; and
3. WHEREAS: Forcing presidential candidates to be birth-citizens goes against the principal of America providing equality by being the great “melting pot;” and
4. WHEREAS: Being born in the United States plays no role in how well one can lead a nation; and
5. WHEREAS: The risk of treason by having a president not born in the United States is avoided by the checks and balances system already in place in our government.

6. THEREFORE: BE IT RESOLVED BY THE STUDENT CONGRESS HERE ASSEMBLED THAT THE REQUIREMENTS TO BECOME THE U.S. PRESIDENT BE CHANGED AS TO NO LONGER INCLUDE BIRTH IN THE UNITED STATES.
